

We had a busy week! We sent out 122 bouquets from Asheville and thanks to Enchanted Forest Flower Farm donation, we picked up some beautiful Dahlias and delivered them as 20 bouquets on Tuesday. Whew. Busy week.

We also want to pass along an ask for everyone. We can use the mesh bags that lemons, limes, avocados, etc come in at the grocery store. These bags can be useful in [creating our arrangements](#) by keeping the flowers stable.

We are asking you to keep these bags along with vases and jars. Bullington Gardens and Blue Mountain Consignment Stores in Henderson County are willing to accept these bags as well as vase donations.

Thanks again for all you do.
