

Dearest Volunteers...

- This week was great! We delivered 291 bouquets from Asheville and thanks to Harris Teeter giving us 7 buckets of flowers, HVL was able to deliver 45 bouquets! This puts us over 4,000 bouquets for the year. Way to go!
- Linda met a couple who is having a wedding in Milwaukee. She donated 20 jars to them that they will use in their wedding for flower vases. They are going to let the guests take home the vases, but any leftovers will be given to hospitals in Milwaukee area. Spreading the love across the states!
- Cathy gave a wonderful interview with 107.7 FM and this will be posted as soon as they give us the digital copy. Way to go, Cathy!
- And look at these flowers that Paula's daughter did at camp out of pipe cleaners. Aren't they cute!

- And last but not least...Please remember to buy your ticket to our ["Paint your own Bouquet"](#) event on August 23!
